A warm welcome goes out to Vicky Andriske. Vicky works at Glossop High School, and is familiar with the Vocational Awards, and has worked with our club members and represents the Glossop High School students for many years.

***PRESIDENT Peter Jarvis has expressed an interest to consider celebrating our clubs 60<sup>th</sup> birthday.***

Due to Covid-19, we have missed our actual 60<sup>th</sup> birthday, the Board is considering a 60+1. Hopefully celebrated before the end of the year. SO, we were considering combining it with Christmas. And the Plus one could also be bring a friend. Let's party before we turn 62.

ALSO

Peter has been asking the club for help to monitor a Shelter Box Field Day site to promote Rotary and the Riverland clubs as part of a membership drive. Mary suggested that we have a Community Service angle to offer interested potential members, followed up with a Sundowner like we spoke about on a previous occasion to offer a relaxed atmosphere to share the works of our club. Hopefully sparking an interest in the invited guests.

If we can get any volunteers to help at the field day, we propose that we need only about an hour of your time to monitor the Shelter Box site. Your help in this will be greatly appreciated. If you have a good knowledge of the workings of the club then we need you. Please contact President Peter.
