Last Rotary Meeting

An enjoyable meeting, with our 2 new members in the house. They were able to meet a few more Berri Rotary members.

A business meeting ensued. With secretary Bruce Richardson reporting the important issues of the evening beginning with :-

- ✓ Our Covid Safe Plan Registration is up to date.
- ✓ National Youth Science Forum (NYSF) is a STEM science programme. Kira Watts has applied to participate in this event. Berri club will support her financially as she identified us as a sponsor.
- ✓ We have new dinner plaques, we were able to wear them for the first time this evening
- ✓ On a sader note, the Field Day event has been cancelled. We no longer need assistance with the Shelter Box display.
- ✓ The School Book Project consists of books being sent to South Pacific Books Aid, which is run by the Adelaide Club, They receive books from our area, kindly donated by local schools in the Riverland.
- ✓ Subscriptions are DUE
- ✓ Discussion with the club members in regards to the Zonta club project, developing a banner with the message “The Riverland says Expect Respect, say NO to violence Together we can make a difference” resulted in the Berri Rotary Club agreeing to support the project to the value of \$175. This banner will be displayed during November/December to coincide with Domestic Violence awareness weeks in the Riverland.
- ✓ President called a Fellowship evening for Monday evening. 30th August at the Berri Tavern, Golf Course.
