Last Rotary Meeting

Before our meeting at the Berri Hotel, the club members, that could attend, met at Country Care, where we were met by Michael Stephens. Michael guided us through all the provisions/products available through the business, “Country Care” for any person of any age that needs assistance for living and daily activities. He explained that he has the contract for Department of Veteran Affairs and National Disability Insurance Scheme (NDIS).

The business originated in Mildura, and due to the Riverland’s close proximity, the Riverland has been able to be serviced with their multitude of products. The business has grown such that there became a need to open a shop floor in the Riverland and Berri has benefited. Located next door to NDIS and it is staffed by 2 people who take care of deliveries, shop attendance and all other needs including support for Resthaven, Home Care Packages, Live in Accommodation etc. These services do not just keep people at home but care as well. If you are looking for assistance, obtain an Occupational Therapist who will then be able to work with Country Care and obtain the assistance you need.
