Last meeting

Our last meeting was held on Zoom and we had five members attend.

The meeting was informative and much discussion was held on the arrangements for club meetings during this difficult time. It was agreed that we would continue to meet on Zoom until further notice as the position becomes much clearer with Covid.

Matters discussed also included:

- The Australia Day breakfast with Berri Barmera Council was cancelled whilst the council will continue to have a presentation ceremony at the usual location.
- The club was due to be involved with an afternoon at Bingo raising necessary funds. Unfortunately we learnt at the meeting the information from the Berri Pacemakers had advised us was January 23rd and as there was little time to prepare we found it necessary to cancel our involvement for that date.
- Christmas greetings were received from the Rotary Club of Kandy, India where our club was involved in building many homes as part of a Foundation grant.
- The new club website is now up and running with access to bulletins and other Rotary information. Visit www.rotaryberri.org.au
- A reminder is made for club members to promote the collection of old cars, truck & tractor batteries as a fundraiser. If you have contacts please let the Secretary Bruce know.
- The club was advised that the Vocational committee were meeting to discuss the postponement of the Awards dinner due to restrictions associated with Covid and further information would be made after that meeting. That date is now set at 25th March 2022.
