Last Rotary Meeting

The meeting held on the 23rd May was on the topic of “Berri – Our Town”. Our guest speakers were Julie Ahrens, Leadership Team Member, Berri - Our Town, and Donna Safralidis, Assistant Principal, Wellbeing & Engagement at Berri Regional Secondary College.

In 2019, the Glossop High School Wellbeing team applied for grant funding and for the opportunity to work with the Fay Fuller Foundation and other Philanthropic organisations on behalf of the town of Berri.

The Berri community, and the Berri Regional Secondary College have committed to working with the Fay Fuller Foundation and the South Australian Health and Medical Research Institute (SAHMRI) in partnership with The Australian Centre for Social Innovation (TACSI) to develop, fund and coordinate sustainable initiatives to build mental health capability in our region over the coming years.

Berri Regional Secondary College initiatives that are currently being developed through collaboration with Berri Our Town include:

- Nunga Driving: A participatory grant making idea to assist transitions of our aboriginal students as they prepare to leave school
- The Berri Regional Secondary College Volunteer Involvement Framework: A partnership between Volunteer SA&NT and Berri Regional Secondary College to bring generations together through volunteering
- Raise Mentoring: Bringing community mentors into Berri Regional Secondary College to connect with and support our Year 8 students
- Story Telling in collaboration with Parts of Things: To increase our sense of belonging through knowing our storiesmore on next page
