Last Rotary Meeting

The Berri Rotary club meeting, at the end of August, saw us having further discussions regarding the proposed changes to the future management of Rotary International in Australia. It is proposed that we use a Pilot project, to chisel back administration from the management end of consultation, stretching across a broader scope of the country, by an individual in that position of responsibility, who then will report back to bodies of members who reside outside of our jurisdiction.

There lies the dilemma. How will those outside of our jurisdiction know our local communities, and our needs. Especially when the towns and areas are so community minded. And if the pilot does not succeed, then how do we regain what we once had.

Many questions need to be asked, and much thought needs to be placed into this proposal. Our Club Presidents will be voting this month and the individual clubs need to instruct their Presidents which way they would like their club to proceed. Under the pilot, or stay the same. What are the opportunities, and what are the losses.

It is my understanding that nothing will change at club level, we will still be able to fund raise as we always have, and serve our local communities, meeting their unique needs as we have always done.

On Monday 29th August, several members travelled to Lyrup to share a fellowship evening with Tony & Margy Smith as Tony is house bound due to a leg injury. The excitement of the evening was set up with one member getting lost on the way to Lyrup and needed to be guided by others to finally arrive in time for Pizza. The fun continued with everyone playing the "World" game (suitable for 7 years plus) which was a memory-based game. Lots of laughs ensued. It was a great night of fellowship and reminded us of one of the reasons we joined Rotary. To have fun.
