Last Rotary Meeting

The Berri Rotary meeting held on Monday evening provided a good opportunity for the club members to come to a decision regarding which way to vote for the Regionalisation proposed for Zone 8. Our decision was passed onto the Club President who subsequently voted.

Club President Peter reported via IPP Mary of his success at the Riverland field Days held during September. He was able to gain assistance from other Riverland club members to promote Shelter Box and speak to potential Rotary members. Peter was also interviewed by 3 radio stations where he spoke about Shelter Box and the role of local Rotary Clubs in our communities across the Riverland.

Recently Past President PDG Bruce went to the Berri Men's shed to the hand over and turn on of the Solar panels jointly supported by the Berri Lions Club and the Berri Rotary Club with funding support from the District 9510 grant stage 2. Here are some pictures of the handover with PDG Bruce and Lions Club representatives and the Berri Men's shed representative.
