Last Rotary Meeting

The Berri Rotary Club held the Vocational Awards evening on the 10th February 2023 at the Berri Hotel.

The 2022 Riverland & Mallee Vocational Awards now in its 40th year, held at the Berri Hotel on Friday night with around 220 attending saw **Hugo Kregar** awarded the 2022 Apprentice of the Year award.

Hugo enjoys the hands-on nature of carpentry and values the teamwork and collaboration within this chosen trade. Hugo's commitment to achieving a broad skill set includes several additional qualifications, and he plans to pursue a career as a Construction Manager on large scale projects in

the future. Hugo is a strong advocate for mental health initiatives within the construction industry. He impressed the judges with his commitment and sacrifices to achieve his goals and high standards of excellence.

Hugo follows in the footsteps of many young talented Apprentices as a winner of the 2022 Riverland & Mallee Apprentice of the Year.

Other winners on the night included

- Trainee of the Year, Cameron Dixon,
- School based Trainee of the Year, Charlotte Zimmermann of Loxton High School,
- School based Apprentice of the Year, Connor Ross of Berri Regional Secondary College,
- School based VET Student of the Year, Jack Campaign of Berri Regional Secondary College.

A full list of winners and runners up for each of the categories is attached for information.

The successful night, largely due to the high caliber of finalists, genuine support of sponsors and commitment by employers to the awards, is the largest of its kind in regional Australia and is hosted by the Rotary Club of Berri.
