Last Rotary Meeting

The Berri Rotary Club held a club meeting at the Berri Hotel 24th April where we held a Board Meeting and business at hand was discussed.

Yvette Webber has kindly donated a collection of cardboard boxes to the Berri Childcare Centre. They were very happy to receive brand-new boxes still folded and in good condition. This meets our recycling Project outcomes

From the same location there were several student desks that had the legs removed and utilised elsewhere, which left the MDF tops remaining. After some considerable research, a location was found at Renmark Wood Work located out of Renmark at the original Renmark High School location.

At the meeting to be held on 22nd May 2023 a presentation regarding 1,000,000 Turtles will be held at the Berri Hotel with an invitation to other Riverland Rotary Clubs to attend. Waikerie Rotary Club have already engaged with this programme and a great deal of interest was shared with other Club Presidents to engage with this programme as well. All are invited. Watch this space.
