**President : *Bruce Richardson OAM* Secretary: John Rix OAM: Treasurer: *Vicky Andriske*  
Immediate Past President: Peter Jarvis Directors : Mary Hansen, Kerry Woolston**

## **Last Rotary Meeting**

Our meeting held on the 10<sup>th</sup> July resulted in much discussion in view to our plans for the following Rotary Year as we welcomed Bruce Richardson back to the Presidency. The attending members were able to observe the message from our new DG Craig Dowling including a message from the new RI President, Gordon McNally, presented via a video message to all his constituents. DG Craig was able to bring us all up to speed via Technology not used in this way before, in our club. A great way to address lots of people all at once covering many miles/kilometres in-between.

During our meeting we discussed how we can invite our DG to visit us, due to his proximity, to the Australia Day Breakfast, Vocational Awards Dinner, and other opportunities as they present themselves.

During this Rotary Year, we aim to increase our club membership by 2, we are well on the way to achieve this with all members participation in this goal.

President Bruce Richardson attended the 40<sup>th</sup> year anniversary of the Berri Probus Club and speak about the Berri Rotary Club involvement in the Berri area and wish them well in the future.

It was discussed that as we hold our meetings on every second Monday of the Month. We have many long weekends during the first part of the year which results in the loss of opportunity for the club members to meet to keep up with correspondence and other important Rotary matters. It has been proposed that on the third Monday night, we meet at the Berri Hotel for a Coffee / Dessert and chat. (If you wish to purchase a meal then that is fine) This will give all members an opportunity to have a casual meeting to keep up with correspondence, latest developments, especially when we do our own research into projects, etc. It is proposed that we begin the meeting on the third Monday in August 2023.

**Next Meeting 2800 24<sup>th</sup> July 2023**
