Last Rotary Meeting

The Berri Rotary club enjoyed the presence of our DG Craig Dowling and his partner Kiki. Club members were able to participate in the discussion and plans presented by the DG and Kiki, especially regarding the opportunity for our club to participate in the Rotary Says NO to Domestic Violence campaign. We can Raise Awareness – Raise Money – or Create an Event. The decision is ours as to how we wish to promote the fact that Domestic Violence will not be tolerated by Rotary or others.

Another point of discussion was about Diversity, Equity, and Inclusion. It is NOT to highlight the differences between people, but exactly the opposite.

The Yes vote to Diversity, Equity and Inclusion is that everybody is different, and sometimes the differences are not evident.

Those differences are valuable as one may be able to do one thing and another something else. That would be working towards their strengths and making our club a better club with such diversity. Giving everyone the right to dignity and fairness. Remembering that exclusion, even unintentional, can be hurtful.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, we are continuing to learn and do better
