### Last Rotary Meeting

Past President Peter Jarvis was our guest speaker at our last meeting talking about the changes that have occurred recently with Shelterbox.

No longer is Shelterbox tied to the BIG box including everything that they can think of, rather the needs of the disaster are considered before sending response packages to the region.

Shelterbox purpose is to provide emergency shelter to families who have lost their home to disaster,

providing them with the tools to rebuild their homes and their lives. That could mean blankets or tents or even cash vouchers could be packaged and sent to the disaster zone.

Thank you, Peter, for updating our knowledge on Shelterbox and its operation.
