Last Rotary Meeting

Much discussion was had regarding Regionalization of the Rotary Clubs in our Region. It was decided to observe via the internet, our options for voting for those delegated, for the positions on offer. The club agreed to give our President the honourable responsibility to vote on behalf of The Rotary Club of Berri. We held much discussion regarding the delegates and what was known of them and their background to determine their suitability for the positions that they put themselves forward to perform. So as a club we agreed on some of the delegates for our Club President Bruce Richardson to vote for. In so doing, expressing the club's interest, it was thought that our President knew some of the delegates more than others and had a good sense of their capacity to fill the role and perform their duty to the best of their ability, and suitability.

Further positions considered by the club members included how we vote to stay within our own Regional Group geographically and whether we choose an interest in a specific cause. As a club we chose to be consistent with other clubs in our area to remain geographically grouped and selected Youth as our preferred area of interest.

In the future when Regional groups are declared, we will need to elect a Regional Co-ordinator for our group.
