## Rotary Meeting #2816

### **President Report:**

Regionalisation Changes. We need Rotary Community Leaders, anyone interested can apply via forms. The club must verify the ability of that club member to qualify.

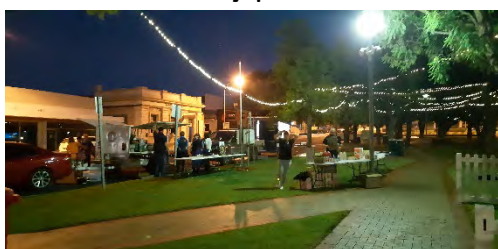

### **Conference Report:-**

Both Vicky and Kerri reported that it was very well organized to the minute with speakers. The Conference dinner at Salena surpassed all expectations. Perfect Conference, well done, Everyone enjoyed themselves.

NYSF gave Samuel Nitschke from Loxton HS in 2020 his compacity to Grow and Develop into the position he is studying, space Aerospace Engineering with ISAE group in France and the University of Adelaide.

Next Conference will be at Morphettville Race Course.

**Easter Saturday** plans for the BBQ. Be there at 6am for set up and ready to cook.

Catering for Riverland Baseball fundraising opportunity run by Steve Rundell raised a reasonable amount, but we recognised that we could charge more than \$5 for a hamburger.

Michael Cook is back in the Riverland, residing at present in the Barmera Hospital. If you have any time Michael welcomes visitors.
